Instrumental and Singing Tuition at Tranby College in 2011

Instrumental and singing lessons are available to students throughout the College, although not all instruments are available to younger students. Students should apply on the attached form and will be notified if their application has been accepted.

Lessons are normally scheduled during school hours on a rotational basis so that students do not repeatedly miss the same class. Class work that is missed may be required to be completed at home. Students are responsible for checking their lesson times in advance and attending lessons on the scheduled day and time. Tutors need as much notice as possible if they are to try to reschedule a lesson.

Students who have instrumental and singing lessons at school are expected to participate in a band, ensemble or choir and to perform in events such as end of semester concerts. Students will also be given opportunities to gain accreditation through AMEB or similar bodies.

A small number of music scholarships will be available in 2011 to cover the costs of music tuition and instrument hire. Students will be selected on the basis of auditions run by the music staff. Further details will be advertised as they become available.

Please read the Fees and Conditions carefully, fill in the necessary information on the application form and then return it to the office in either the Junior, Middle or Senior Schools at the College.

Further information can be obtained from Sue Storry, Justin Fletcher or Peter Legg by ringing the College on 9524 2424.
