Dear Parent/Guardian,

On Wednesday, 7 December, our current Year Eleven students have their end of year River Cruise. It has been traditional that this year group leaves the College at lunchtime to allow them to prepare for the event later that evening. In past years, this year group was the only group remaining in the Senior School at that time of year. With the change to the start of the new academic year that has been implemented in 2011, we now have Year Eleven and Year Twelve students at the College.

In order to accommodate the students attending the River Cruise, all Senior School students will be dismissed from the College at 12.00 noon on Wednesday, following our final Awards Assembly.

If students are unable to arrange suitable transport home at that time, they are welcome to remain at the College until they can access their usual mode of transport at the usual end of the school day.

Should you wish to discuss this with me, I may be contacted by telephone on 95242424 or by email at daviess@tranby.wa.edu.au.

Yours sincerely,

Steven Davies
Head of Senior School
