Dear Parent,

Tranby College and World Challenge Expedition

Vietnam 2012!

Tranby College is delighted to announce that we are launching another very exciting program to Vietnam in July 2012, which offers students the opportunity to plan, fund and ultimately lead their own 4 week expedition!

This program will be managed by World Challenge, a pioneering educational organisation with 24 years of experience delivering personal development expeditions for students. The Expedition to Vietnam is preceded by a training and preparation program, during which students play a major role in planning their itinerary, which will include volunteer project work in a local community and a challenging trek. Students are also supported in setting and achieving individual and team fundraising goals to help cover the cost of the Expedition program. It is an incredible opportunity to develop some life skills for the real world all while having the adventure of lifetime!

I would like to invite you and your child to an information evening delivered by a member of the World Challenge team who will discuss the benefits of the Program, the support and back-up they provide, and how they deliver a fun, rewarding, and safe experience.

Date:        Monday 12th September 2011
Time:        1800 Hrs.
Venue:       Tranby College, Senior School, T&E Building
