The Commissioning of our new College Principal, Mr Matthew Ivulich will be held on Sunday 9th March commencing at 4.00pm in the Multi-purpose Hall.

Following directly on from the Commissioning will be our annual Community House BBQ's, which will commence at 5.00pm on the lawned area outside the Multi-Purpose Hall and the Junior School Library.

A sausage sizzle, cool drink and icy pole are available for a gold coin donation.

This is a great event to come and chat and meet other families in the Tranby Community.
From the Principal - Matt Ivulich

Firstly, I must say how very humbled and how very excited I am to be trusted to be part of the Tranby Community as your Principal. It is important we get to know each other as we share own values and beliefs. Together, we must share a common vision if we are to build a successful and enduring K-12 co-educational school for the 21st century.

Our beliefs that students will be motivated by a dynamic learning environment, developing as engaged, focused and independent learners, and our goals that education will open journeys of opportunity for our students, releasing abilities they have never experienced before, and seeking the highest possible academic outcomes will shape our College.

It will be my role to lead a team of united professionals who want the very best for Tranby, our students’ education will be enriched by inspired and motivated staff, with a strong focus on Professional Development supported by the College who explore new opportunities and research into “best practice” standards from around the world.

I am a father of three children, my hope for them is to stay confident and learn more, where they are players, not the audience. I wish to contribute to the positive atmosphere generated by our community that empowers our students to make their own choices, provide good role models and foster leadership roles. Our world is in need of leaders who can re-align our thinking, so that community values and beliefs, our planet’s future, distribution of wealth and the power of education for all can be taken to the next level. Our students must believe that they can have a role to play, and that leadership can make a huge difference to society and the world in which we live.

I look forward to continuing my journey in a community to shape young and old minds, in establishing the players that will guide our world into a better future with equality, trust and love. As an effective community leader, I wish to shape a vibrant workplace which inspires and proclaims the status of the teaching profession, the worth of education in our society today, the equality of women and men and the importance of establishing Christian values.

God Bless.

A Talented Group

In 2013 the College had 54 students achieve an ATAR with an average of 68.67. Interestingly, of this group of 54 students, 47 applied for a place at university in 2014 and the average ATAR of these students was 76.90.

I think it is also a credit to the College that we have a group that, while they studied at a level challenging enough to get them an ATAR, they did not intend to go to university next year. It is good that they challenged themselves rather than opting for a less difficult academic programme. This is a policy that the College has continually supported, pushing our students to be the very best they can be as opposed to counseling them down into non-examinable courses which would not effect the overall College average.

Finally, amongst this cohort we had a group of eight students (approximately 15%) who attained an ATAR of 90 or greater. This is an outstanding effort and these particular students are worthy of special acknowledgement:

- Elise Salleo 98.05
- Elizabeth Arundale 94.80
- Jazz McCafferty 94.55
- Phoebe Chaytor 93.70
- Shaena Strydom 92.40
- Alex Collings 91.25
- Georgia Curry 90.95
- Emily Wise 90.05

Congratulations to last year’s group of Year Twelve's and we look forward to continuing to hear of their achievements as they progress through the next phase of their lives and the many challenges it will bring.

Student Achievements

Mr Ivulich encourages Tranby to recognise our students for their achievements within and outside of the College. For example these may include selection in a State Sporting Team or playing a lead role in a production. We ask that you email Mrs Faye Capewell, capewellf@tranby.wa.edu.au with the details of your child's achievement so that it can be placed in our College Newsletter.

We start the year with Year 12 student, Brooke Capewell being selected in the Under 18 Women’s State Hockey Team, she will travel to Melbourne in April for the National Championship. This will be Brooke’s third representation for W.A. in hockey. Congratulations Brooke we wish you well.
Welcome to the start of 2014. Although it has only been a couple of weeks, the Senior School has been frantically busy with enrolment interviews for new students, course selection amendments and some timetable adjustments to enable a significant number of students to embark upon their VET Courses in partnership with TAFE. Thirty one students are to be congratulated on gaining a place on their chosen VET Course.

We held the first Three Way Conference of the academic year this week. The discussions between Years Eleven and Twelve students, their teachers and parents centred on the progress students have made to date.

Year Ten students have been fortunate enough to experience the ‘Elevate’ Study Sensei and Time Management presentations. The presenter engaged the students very quickly and had them reflecting on their own study habits, whilst unravelling the myths and offering useful tips and strategies. It is hoped that the students will utilise these tools in their studies with immediate effect.

The Assembly was addressed by three graduating students from the Class of 2013. Elise Salleo, Elizabeth Arundale and Jazz McCafferty spoke about their personal experiences and gave the students some useful tips and insights into what worked for them. The students were well received and were thanked for sharing their thoughts with the current students. Another graduating student, Ryan Newhill was unavailable to speak as he is currently travelling in the USA. In his absence, Ryan’s parents stated that “Ryan set his goals early in Year Ten and applied himself relentlessly”; he knew what he had to do. Ryan is now set to study Aviation at Edith Cowan University. Elise has been offered the opportunity to study Medicine at the University of Western Australia, the other students have enrolled at University but are undecided as to their Career path.

Many Senior School students have dusted off their Swimming bathers and some have even had a practice swim in preparation for the hotly contested Inter-house Swimming Carnival which will be held this Friday 14th February, at the Aqua Jetty. Budjar House will be defending their title for the second year!

I would like to wish all students a successful start to the new school year.

Welcome to the wider Middle School community, especially those new to the Middle School. The year has begun particularly smoothly, so thank you for the part you have played in making this happen. By the time you read this you would have had the opportunity to meet with the Staff in your son’s or daughter’s particular Year group at our Parent Information Night, and hopefully you have also got to know other parents. The next planned opportunity to have conversations with the relevant Form Teacher will be in April at our Three-way Conferences, but of course please contact the staff member earlier should the need arise.

Payment of $10 is enclosed.
Tranby College has the opportunity to host a group of SMAN5 students from Surabaya, East Java. The students have been corresponding with Tranby College Indonesian students since March 2009.

We are looking for friendly supportive families who are willing to host a student during their stay in Australia and be a part of this exciting experience. The students are aged 15-16 years old. Don’t worry if your children are not the same age as the students. The Indonesian students tend to mix well with students of different ages.

**When:** Saturday 22nd March 2014 – Saturday 5th April 2014

**What:** Host families only need to provide a bed (a mattress is OK) and meals for the students, as well as your friendship. The students will attend Tranby College daily.

**Why:** It is a fantastic opportunity to experience another culture and form international friendship. It’s also a lot of fun and very rewarding in many ways. This is an exciting new program for the school so we hope you will be involved.

If you are interested in being a host family please complete and sign the form below.

Thank you!

SECONDARY ASSISTANCE SCHEME
PRIVATE SCHOOLS

GENERAL INFORMATION

The Western Australian Department of Education provides an allowance to assist eligible families with secondary schooling costs.

To be eligible for the allowance the parent/guardian must hold a Department of Human Services (Centrelink) or Veterans’ Affairs card that represents a statement of income for the family.

The allowance consists of two components:
- $115 Clothing Allowance paid directly to the parent/guardian.
- $235 Educational Program Allowance paid directly to the school.

Application is made by the parent or guardian for student/s enrolled in Years 8–12 at a secondary school.

ELIGIBILITY CRITERIA

Parent or Guardian must hold one of the following cards:
- Centrelink Family Health Care Card
- Centrelink Pensioner Concession Card
- Veterans’ Affairs Pensioner Concession Card

PLEASE NOTE: The only Veterans’ Affairs Card that meets the criteria is a blue card that is issued each year and expires in December each year. This card is income means tested.

The parent/guardian must be the holder of a card that is valid some time during first term. The only exception to this is when a student holds their own health care card and has been declared independent by Centrelink (e.g. Living Away from Home). In this instance, a letter of confirmation from Centrelink needs to accompany the application.

The allowance is paid up to and including the year the student turns 18 years of age i.e. students born in 1995 or before are ineligible in 2014.

APPLICATION FORMS

Application forms should not be altered and are to be completed at the school during Term 1 only (Forms completed prior to Term 1, 2014 will not be accepted). Please ensure to keep a photocopy of the signed form for school records.

Applications close 11 April 2014.

LATE APPLICATIONS

Late applications will only be accepted in extenuating circumstances and must be accompanied with a written explanation.

Eligible interstate or overseas students who are enrolled after first term may apply for the allowance.
Date of enrolment must be noted on the application.

PROCESSING OF PAYMENTS

Once the form is completed by the parent/guardian, the school will forward the original forms to the address below for processing.

The payment of the Educational Program Allowance is made directly to the school and should be deducted from your school account.

The Clothing Allowance payment will be deposited directly into the parent/guardian’s bank account. It can between take between 8 – 12 weeks to receive this payment.

If you change any of your details other than that supplied on the application form, please notify us as soon as possible on 9264 4516.

We will endeavour to have all clothing payments made to the parent/guardian by 30 June 2014.
