Guideline Scope

This guideline applies to all students of Tranby College.

Guidelines

The Head of Junior School and Heads of House in the Senior School have the final decision concerning suitability of hairstyles and uniform standards. Students who consistently do not meet uniform expectations may be suspended from attending the College until corrected.

This guideline is divided into the following subheadings:

1. **WEARING OF THE COLLEGE UNIFORM**
2. **NON-UNIFORM DAY GUIDELINES**

1. WEARING OF THE COLLEGE UNIFORM

Whenever, and wherever, the uniform is worn it must be worn correctly. This **applies at all times during the day**, not just during College hours.

- Uniforms must be clean, well-pressed and in good condition.
- Shoes are to be well-polished, and sports shoes kept clean.
- Uniforms and shoes must be as specified in the Uniform List (see point 1.1 below)
- Students must wear a regulation Tranby hat or cap when outside (during sports lessons and when involved in outdoor activities, including recess, lunch and play times).
- Skirts, Culottes, Shorts and trousers are designed to be worn on the waist. The Skirts, Culottes and Shorts must be approximately knee length.
- A Tranby College Backpack must be used to carry books and other personal property to and from the College.
- If students need a bag for their sports uniform, they must use the Tranby College Sports Bag.
- All items of clothing/personal equipment must be clearly labelled with students' full name.
- Students and parents are notified if uniform requirements and standards are not being met.
- **Hair standards** – at all times hair must be worn in such a way that:
 - The hair style is conservative – fashion trends and hair shorter than a No. 2 are inappropriate. Inappropriate hair styles include hair that is shaved around the perimeter in unusual patterns, top knots, extreme fades or tapers, undercuts
 - Is tidy and well cared for.
 - Does not fall across the face.
 - Does not interfere with face-to-face communication.
 - Is one natural colour.
 - If it is longer than collar length it must be tied back using plain black scrunchies, black hair ties or plain black ribbons.
- If a student has a **tattoo** (obtained with parental permission) the tattoo must not be visible when wearing the College uniform.
- **Make-up, false eyelashes and nail polish are NOT permitted.**

- **Sunglasses** – should parents choose for their child to wear sunglasses; the College requests the following:
 - The sunglasses be approved by the Cancer Council of WA.
 - The sunglasses are appropriate for the activities the student is involved in.
 - The sunglasses are conservative in colour and style, and as plain as possible, in keeping with the College's uniform.
 - Students are responsible for the care of their sunglasses.
- **NO Jewellery** is to be worn with the College uniform with the exception of:
 - Earrings – students with pierced ears may wear one matching pair of small plain gold or silver round studs (without a stone), or gold or silver sleepers (only one earring is permitted in each ear lobe).
 - A watch (Years 2 and above only) - NOT ornate and either analogue or digital with a black, brown or white band (NO watches with text or phone capability)
Visible body piercing or mouth jewellery are **not allowed** to be worn at school.
- **NO watches** are to be worn in Kindergarten, Pre-primary or Year 1.

2. NON-UNIFORM DAY GUIDELINES

Students may be permitted to have an occasional non-uniform day during the year. This might or might not be associated with a particular worthy cause. On these non-uniform days, students need to take part in their normal day-to-day routines and fulfil their commitments as learners in the classroom and in the other relevant learning and play areas of the campus. For these reasons, the College has guidelines for appropriate dress on non-uniform days.

2.1 Practices for non-uniform days

- Parents and students will be notified in advance if there is to be a non-uniform day and the purpose of it.
- All students are encouraged to participate fully in non-uniform clothing.
- Students should wear their hair, hair accessories and jewellery as outlined in these Guidelines for normal uniform (see point 1) unless the information sent home states otherwise.
- Students should wear clothing that clearly reflects the nature of the event e.g. *Wear your Team Colours, characters for Book Week*. The College will generally outline the requirements when this is the case.
- Students will be expected to play normally at recess and lunch breaks, attend PE lessons and operate effectively within the College. They should therefore wear safe, suitable and comfortable footwear such as joggers or normal school shoes.
- Students should change into sports uniform for PE classes (senior students).
- Clothing items should be conservative, neat and smart, and should not reflect any design or language which would cause disrespect or offence to another person and there should be no bare stomachs, backs, shoulders etc.
- Clothing should reflect the weather conditions for the time of year and the particular day.
- As with any other day at school, items that are not suitable or acceptable should not be brought to school. If a student is found to have brought such an item, it will be taken from the student for safekeeping and returned home in an appropriate manner at a relevant time.
- Parents of students who attend school in inappropriate clothing will be contacted and the College will make a decision about the action to be taken concerning the student's attendance on that day.
- Dress should conform to health and safety requirements. Students who have food, science, art or woodwork classes must wear closed shoes or they will not be able to participate. Food students should also tie their hair back for the class.
- If a student is tattooed, with parent permission, the tattoo must not be visible at any time.
