

## Ms Taylor's address Year 6 Farewell Assembly

TRANBY  
COLLEGE

Good morning everyone

This week, Mr Viviers and I had the opportunity to attend the Positive Schools conference in Fremantle.

The theme of the conference was Wellbeing.

It was attended by many teachers from both primary and secondary schools from around the state, from interstate, and even a number of international teachers came to Western Australia to attend the conference.

The fact that so many teachers attended was evidence that wellbeing within our schools is of significant importance, and something that teachers highly value.

At Tranby, staff are invested in ensuring that we are providing the best possible experiences and to ensure that the wellbeing of our students is at the forefront of all we do.

So, this brings me to these fine young people on stage this morning. Year 6's, I hope you have many happy memories of your Junior School years. From your very first day at Kindy to where you are today in the last few weeks of your Junior School journey.

As you transition into the next phase of your College life, please know that our very best Junior School wishes go with you.

We hope your Senior School years are filled with many happy adventures, where your current friendships continue to grow and new friendships are forged.

We hope you will take risks in your learning and understand that it is through our mistakes that we learn the most.

And most importantly, please remember to be kind to your fellow students, be kind to those who teach you, be kind to those who love you and of course to be kind to yourself. It is through these actions that true wellbeing is realised.

Congratulations and best wishes to you all.

Thank you everyone.
