## Year 6 Farewell Assembly

TRANBY  
COLLEGE

Good morning, staff, parents, guardians and students, most importantly, our incredible Year 6 students,

Today marks a significant milestone in your educational journey as you stand at the threshold of transition to Senior School. This moment is bittersweet, as some of you will continue your journey within these familiar walls, while others will embark on new adventures at different schools.

As we bid farewell to a chapter that holds countless memories, it's essential to carry forward the values instilled in you at your time at Tranby, values that serve as guiding lights on this exciting journey ahead.

Firstly, let's talk about respect. **Respect** is the foundation upon which positive relationships are built. It's about valuing each other's differences, perspectives, and contributions. As you step into the Senior School, carry the torch of respect high. Treat your peers, teachers, and everyone you encounter with kindness and consideration.

**Integrity** is your moral compass. It's about doing the right thing even when no one is watching. In the new landscape of Senior School, let integrity be your guiding principle. Uphold honesty, sincerity, and ethical conduct in everything you do.

**Service** is a powerful force that connects us to our community. The Senior School offers numerous opportunities to give back and make a difference. Embrace these chances to serve others, whether it's

through volunteering, mentoring, or supporting your fellow students. In service, you'll find the true meaning of community.

**Commitment** is the glue that binds our aspirations to reality. As you venture into Senior School, commit yourself to your studies, your goals, and your personal growth. Your commitment will fuel your journey towards success.

Lastly, **collaboration** is the cornerstone of achievement. No one truly succeeds in isolation. Embrace teamwork, value diverse perspectives, and work harmoniously with your peers. Together, you can achieve far more than you could alone.

To the students in the younger years, learn as much as you can from this group of Year 6 students, as they are strong, intelligent and caring individuals who embody Tranby's values and vision. They are exceptionally talented, and I know this group of young people will be missed in the Junior School.

Whether you're continuing your journey with us or venturing into new territories, remember that the values of respect, integrity, service, commitment, and collaboration are your steadfast companions. Carry them proudly and let them guide you towards a future filled with success, growth, and meaningful connections.

Congratulations, Year 6, on reaching this pivotal point. The adventure continues, and we believe in each and every one of you.

Best of luck and may your Senior School years be filled with joy, discovery, and achievement.

Thank you.
